

After being recognized for good performance and solid growth in 2010 by Forbes Magazine, also in 2011 we made it on the Forbes Asia – Best Under a Billion – list.

Forbes has chosen AIT, among five other companies from Thailand, out of over 15,000 companies with annual revenue between US\$5 million and \$1 billion. The criteria are growth in sales and earnings, as well as return on equity in the past 12 months and over three years are.

The picture above shows our CEO, Mr. Siripong Oontornpan at the award presentation.
